Keystone State Games High School Field Hockey Showcase

Monday, February 15, 2010 – Lanco Fieldhouse

11:00 AM – 3:00 PM (Tentative)

Dear High School Field Hockey Player,

Keystone State Games invites you to our Field Hockey Showcase. The session will consist of skill testing, time over 40 yds., and small field scrimmages in an effort to allow the collegiate coaches to better view your ability as a player from the best field hockey state - PENNSYLVANIA. Both field players and goalkeepers are invited to attend. Skill testing and drills will be planned by USFHA Futures instructors.

Invitations will be sent to every Pennsylvania University/College Field Hockey coach, coaches who attended the Showcase and Summer Games and any additional schools you provide on your form.

The cost is \$75 per player and includes all Showcase athlete privileges, player information form to all coaches in attendance, and KSG showcase shirts with assigned numbers will be provided. Early registration is encouraged as a limited number of athletes will be accepted. The deadline for registration is Jan. 15, 2010 and accepted on a first in basis. The PLAYER INFORMATION FORM will be emailed to each registered participant to be completed and returned so we may duplicate for each coach in attendance.
